These elections are held on the first Tuesday in November of even-numbered years. The next general election will be held on November 3, 2020.

Getting started early...

One reason to start early is to begin collecting contributions for the election campaign. In order to do this, or if you plan to raise \$2,000 or more, or spend \$1,000 or more during your campaign, you must establish your candidate committee.

What you need to do:

- Review [Campaign Disclosure Manual 2](#) Information for Local Candidates and their primarily formed committees.
- File [Form 501 Candidate Intention Statement](#) before receiving contributions or spending own funds.
- Set up a bank account for your committee
- File [Form 410 Statement of Organization](#) within 10 days of receiving \$2,000 in contributions, or earlier.

- File appropriate campaign statement as required by filing deadlines: Either [Form 460 \(Recipient Committee Campaign Statement\)](#) or [Form 470 \(Officeholder/Candidate Campaign Statement-Short Form\)](#).

Santa Monica Municipal Code [11.04.100](#) requires the Form 460 to be filed electronically at [netfile.com/filer](#) . Other forms and manuals may be obtained from the State of California Fair Political Practices Commission's website at [fppc.ca.gov/forms.html](#) or from the City Clerk's Office.

Local Contribution Limit...

Please note that the City of Santa Monica has a local contribution limit of **\$340** for City Council and Rent Control Board candidates. [SMMC 11.04.050\(a\)](#) states: "No person shall make to any candidate for office or to the controlled committee of such a candidate a contribution or contributions totaling more than three hundred and forty dollars for each election in which the candidate was on is on or is likely to be on the ballot or in which the candidate sought or seeks write-in votes." **This contribution limit does not apply to School Board and College Board candidates.**

Candidate Nomination Period...

For the November 3, 2020, General Municipal Election, the filing period is from July 13th through August 7th at 5:00 p.m. The City Clerk's Office will hold Candidate Workshops on the first day of the filing period to go over the process and the required forms in detail. Nomination Papers will be issued to any qualified voter through the end of the filing period. Upon request, additional Nomination Petitions may be purchased for \$1 each. In order to qualify, a candidate must obtain the signatures of at least 100 registered voters in the City of Santa Monica or the jurisdiction of the vacancy on the nomination papers. There is a \$25 fee to file Nomination Papers.

After the Nomination Period...

CAMPAIGN DISCLOSURE STATEMENTS

Candidates will be required to file periodic campaign disclosure statements during the course of the election. Campaign disclosure statements document contributions received and expenditures made by the candidate and his/her committee during the course of running for election. The City Clerk will publish due dates, filing periods, and forms to be filed. See "Getting Started Early" in the previous page.

ECONOMIC INTEREST STATEMENTS (FORM 700)

Candidates running for City Council and Rent Control Board are required to file with the City Clerk a Statement of Economic Interests disclosing investments, interests in real property and income when they file nomination papers. Officeholders are required to file this form annually until the end of their term. **School Board and College Board candidates are not required to file this form when they file nomination papers.**

RECORD KEEPING

During the course of the campaign, candidates and their campaign committee should keep all receipts for expenditures, detailed records of mass mailings, and detailed information about the source of contributions. Records must be retained for four years after the election ([Government Code 81009](#)).

IMPORTANT THINGS TO REMEMBER:
